This years homecoming queen was a triumph for the Sophomore class when Sabrina Easley was chosen; and a disappointment for the others. The most disappointed, probably would by the senior class. This was their last year and in all their years of high school, their class nominee has never been crowned. Even though you haven't been crowned, with the lives you have touched, you will always be remembered as the Queens of '86. — SL

HOMECOMING FLOATES

1. First place was taken by the Freshmen class who's float showed our high school in it's earlier days.
2. Second place was won by the Sophomores who celebrated a beach party with the Beachboys.
3. The Seniors took fourth place with their float of the Beatle's Yellow Submarine.
4. Superintendent, Mac Vincent, is riding in this son's (Mac, Jr.) 1939 Chevrolet. What a classy entry in the parade!
5. The Junior class won third place with the first flight to the moon.

Mr. & Miss C.H.S.

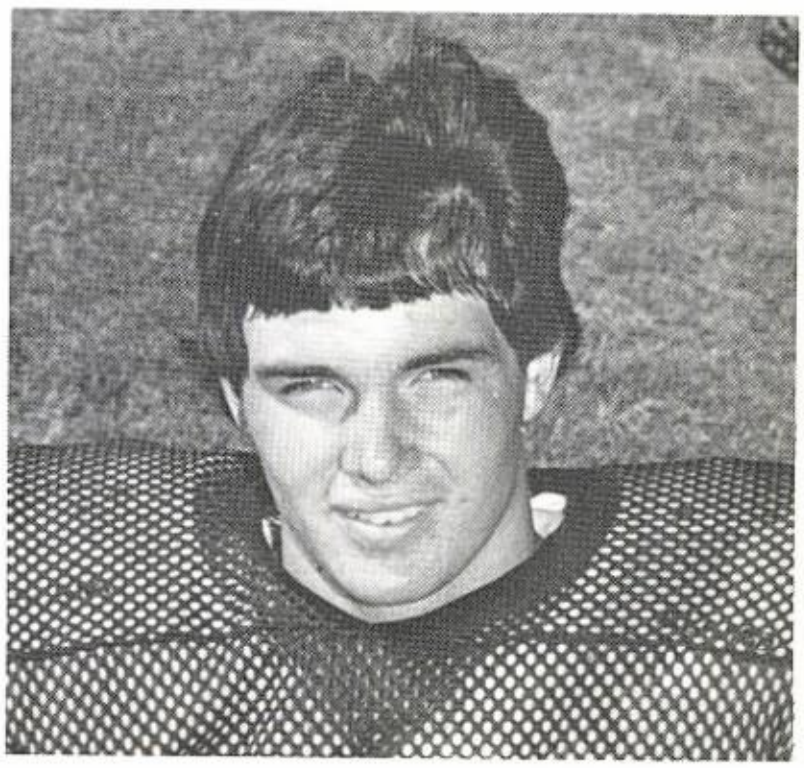
Junior Mader & D'Layna Douglas

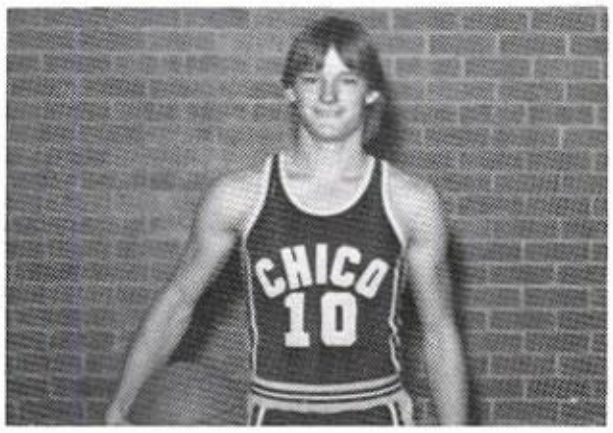
What was your greatest accomplishment in High School?

D'Layna: After goofing around for three years, I finally decided to get serious and make it into Beta Club. It wasn't easy but I made it!

What was your most memorable moment in High School.

Junior: The day the Senior Gam class was working at the Ag barn. After we finished our work, Mr. Underwood let us eat some watermelons. Instead of eating my piece of it I decided to smash it on Mr. Underwood's shiny forehead. I instantly found out that I had made a big mistake because he put his half in my britches and smashed it. Boy, was it a sticky mess.





Best All Around

Ronnie McGuire & Kristie Mader

If you could relive one year of High School which would it be and why?

Kristie: It is really hard to say because I have enjoyed every year, but if I had to pick one year I think it would be my Senior year. Because that is the year I looked forward to for a long time. I have gotten more privileges and people listen to me more (sometimes!). I have met a lot of new friends. The only part of my Senior year that I don't like is having to leave.

What was your favorite moment or event in High School and why?

Ronnie: When we beat Perrin in football my Senior year was my most memorable moment, because it proved that our football team really was good enough to go to play-offs. All it takes is for us to do the things we are capable of and we can do it.

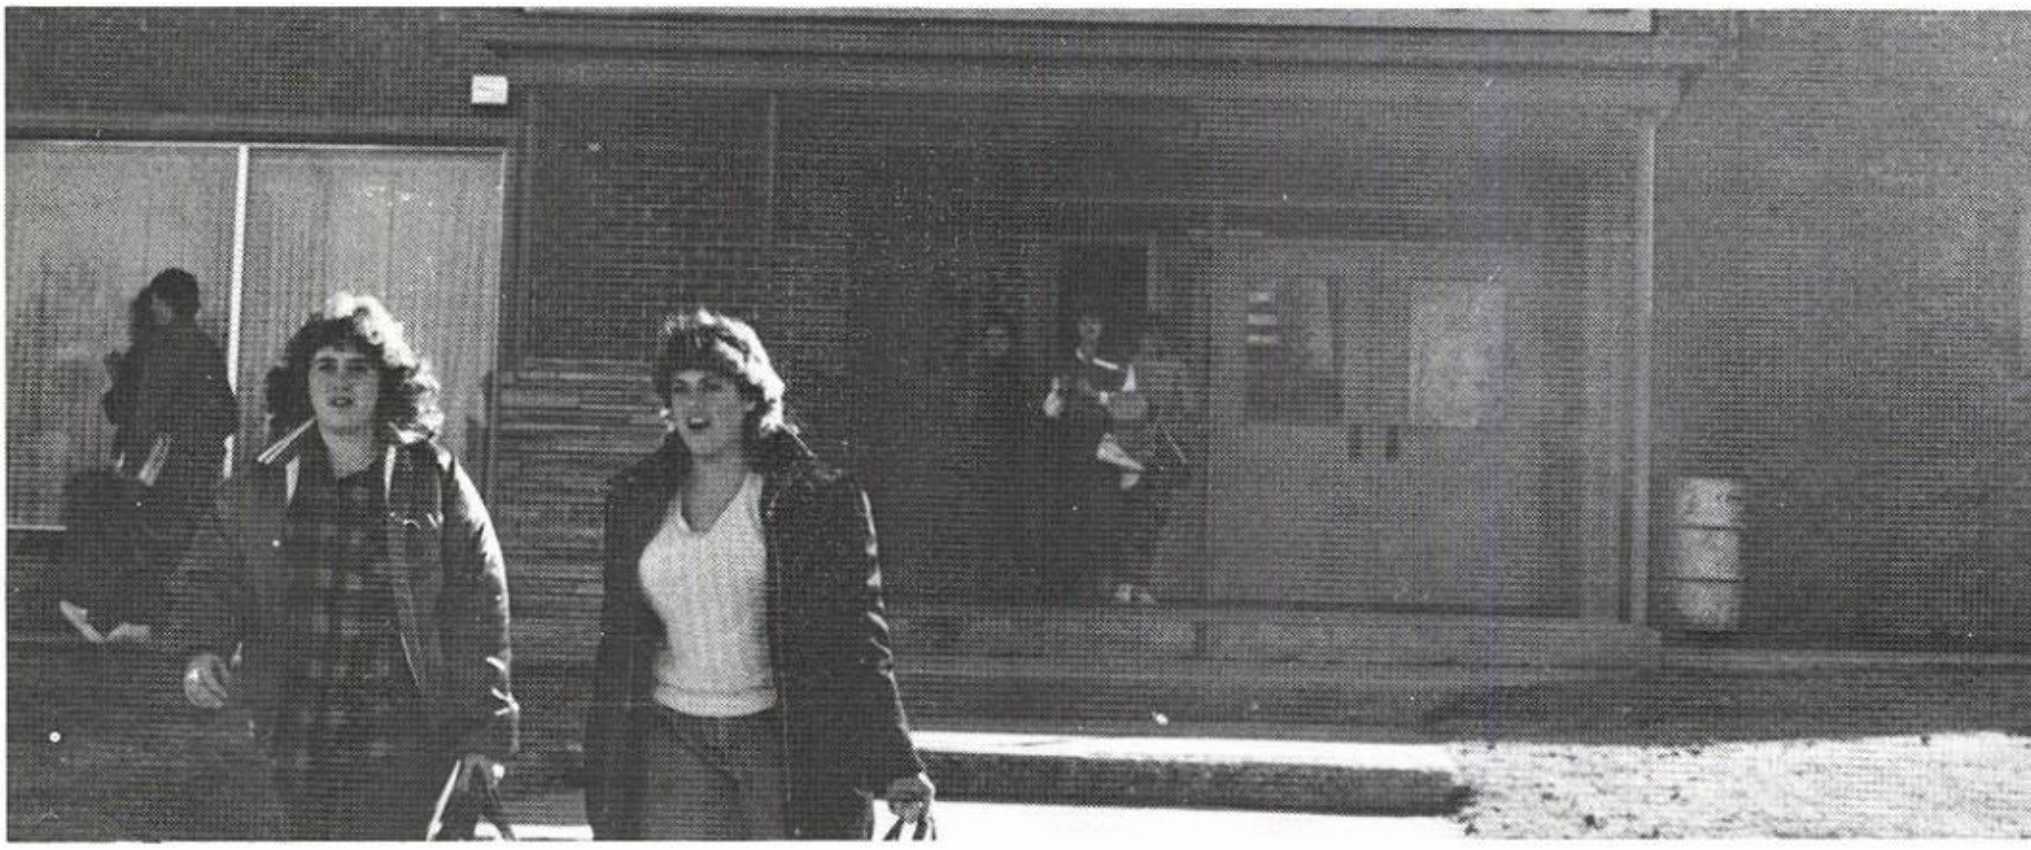
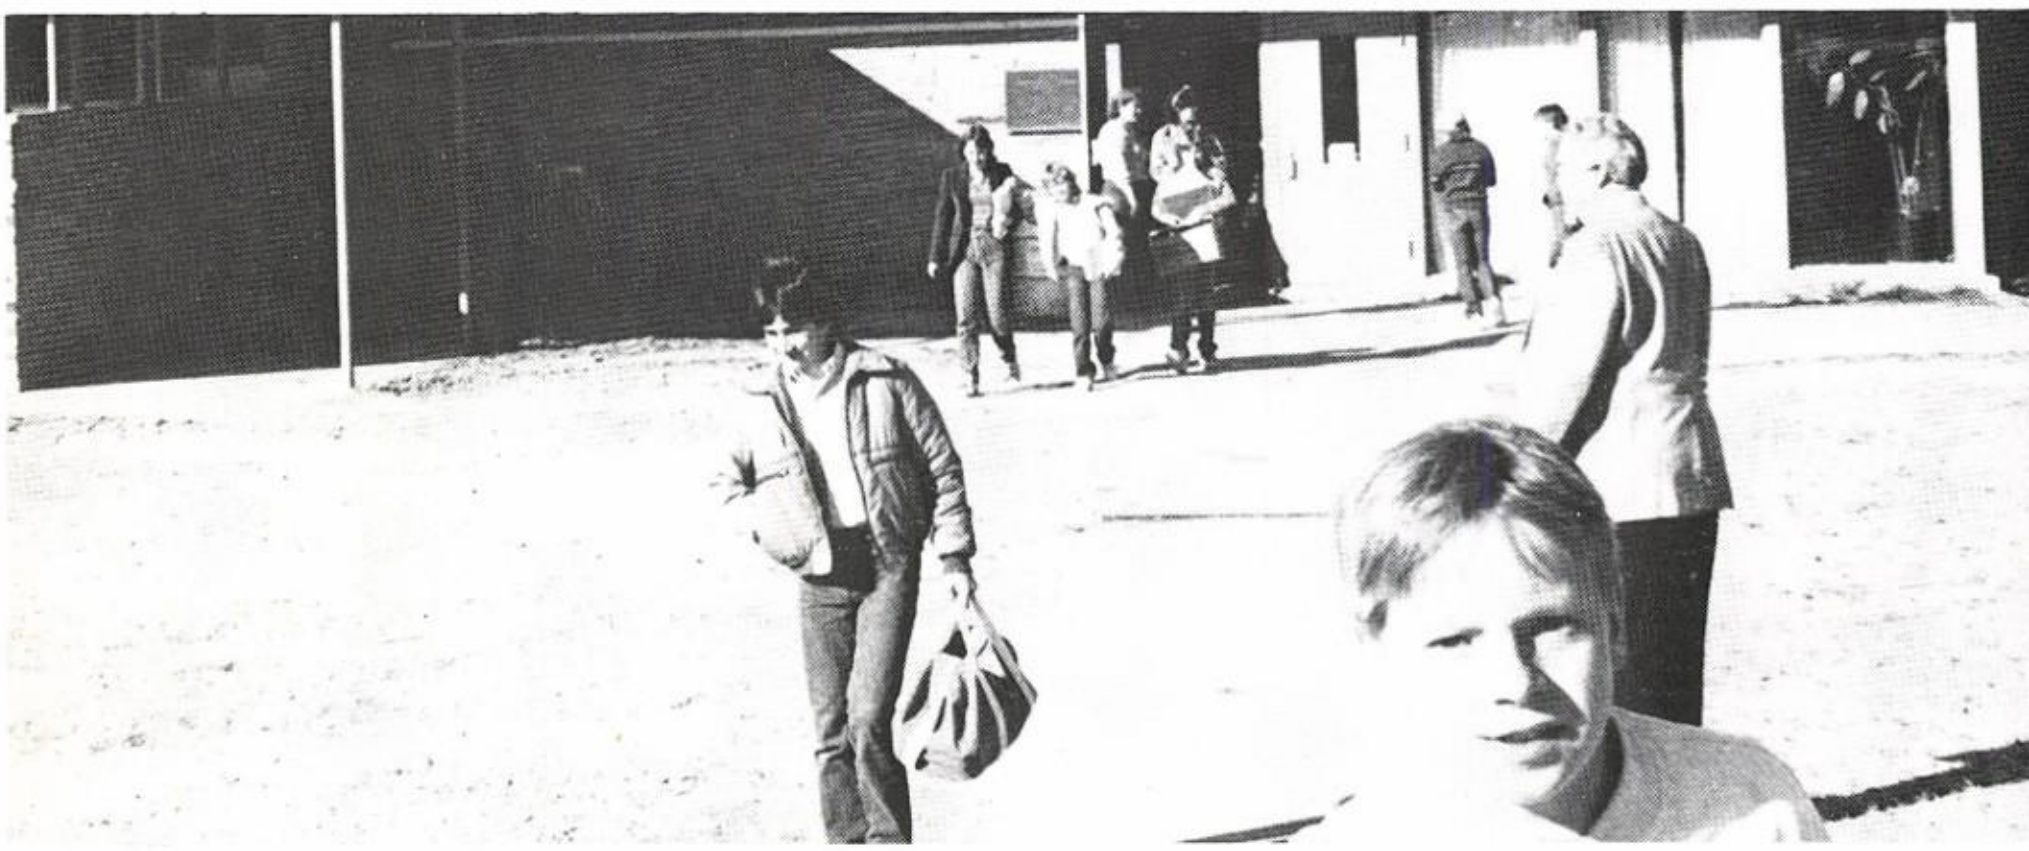
WANTED

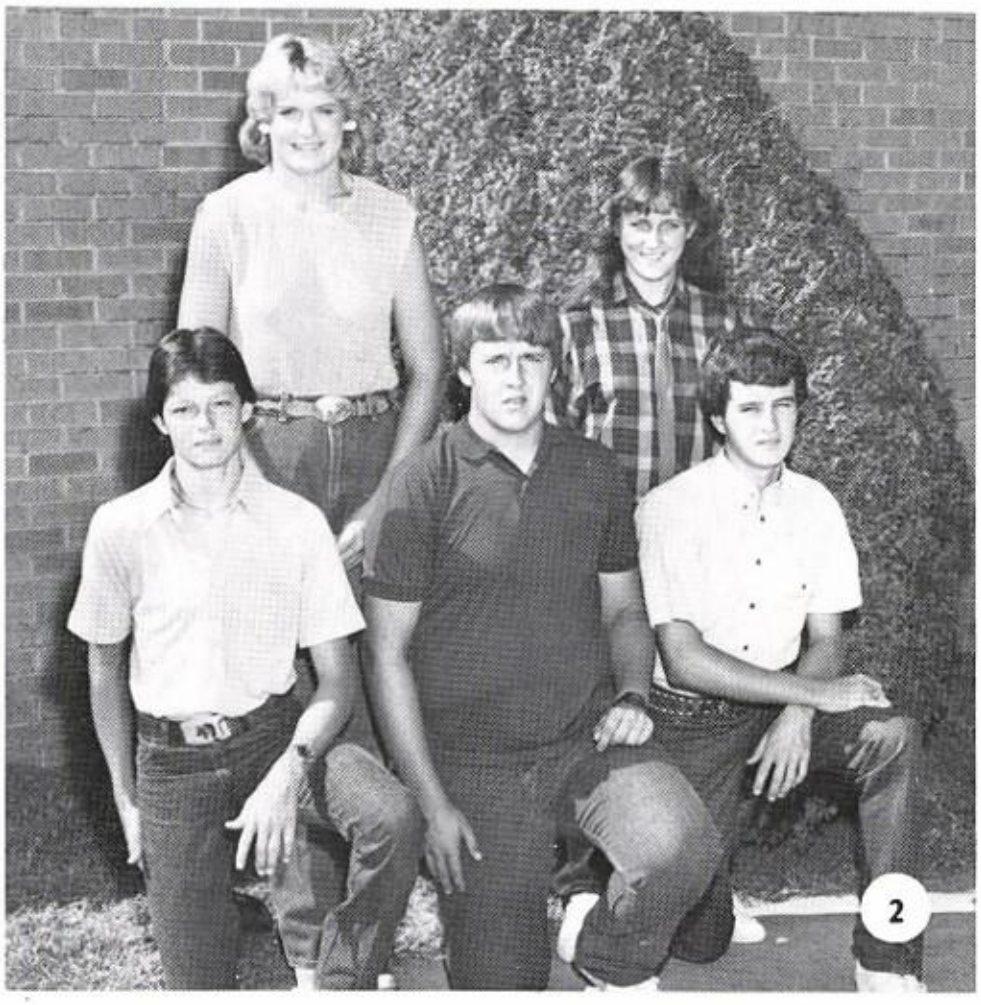
Beware: The Chico Student Body Is On The Loose!

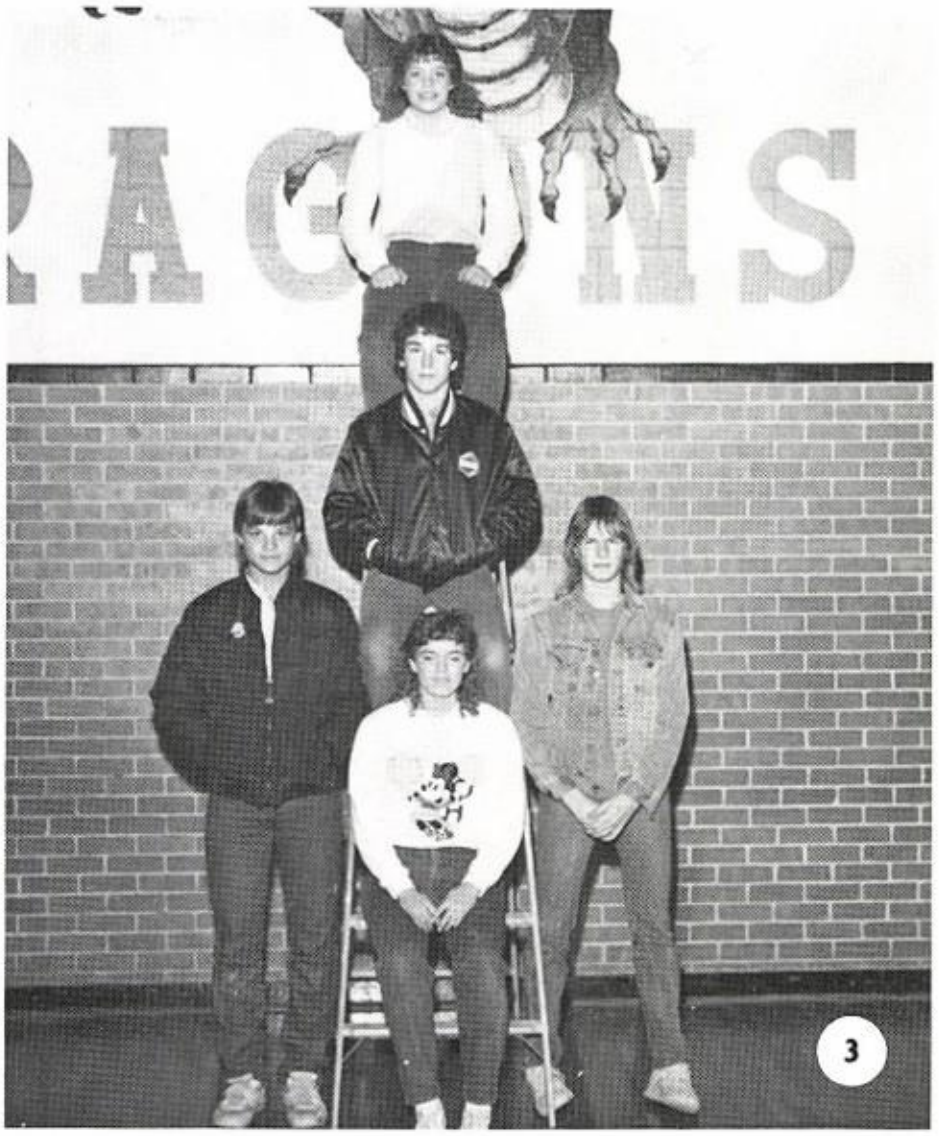
Since September 3rd, of 1985, this studious, junk food crammin', fun-loving, and athletic gang has been hitting the books, coke & candy machines and the gym floors awfully hard putting all their efforts out to mark down another year. They are reported to be armed with half-finished homework assignments, 101 excuses for being tardy and undescribably disastrous gym bags. All who come in contact with these students are advised to use extreme caution. Be on the look out for them . . .





The Notorious Leaders Of Chico Students





1. Heading the list are the well-known Senior class officers: Reporter-Tony Wilks, Secretary-Kelly Buckner, President-Ronnie McGuire, V. President-Junior Mader, Treasurer-Tami Ward. 2. Juniors

Junior year is almost as exciting as being a Senior. Juniors get to order Sr. Rings and for 2 whole days straight all you hear is "will you turn my ring?". They are also in charge of organizing the Prom. The excitement and anticipation of being a Senior next year is also a major part of the memories of your year as a Junior.

Sophomores Traci Ward, Tammy Buckner, & Sa- Easley put their heads together with Junior ny McGuire and come up with nothing but f.

The Sophomore class made quite a crowd. With so many, they kept very active in sports, studies, and troublemaking. Their nominee was H.coming Queen. Next year, they'll be Juniors. Will we survive it?

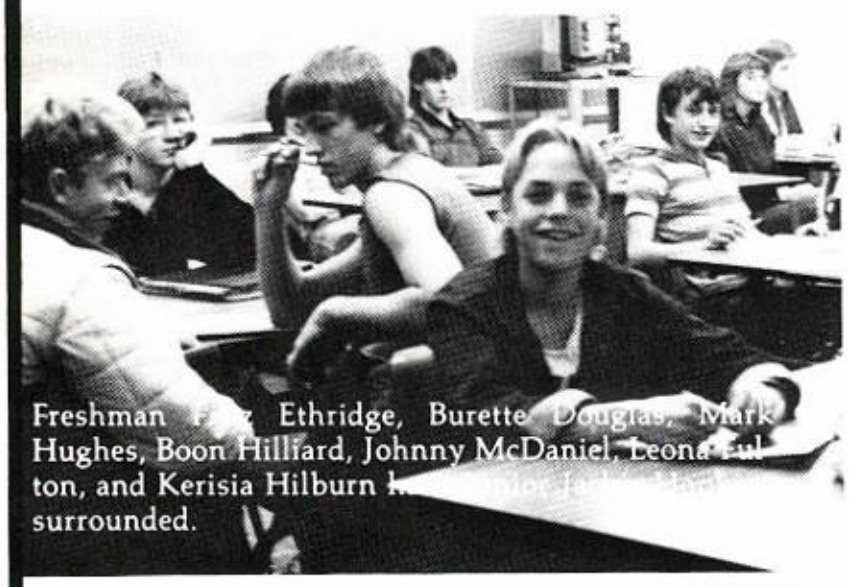
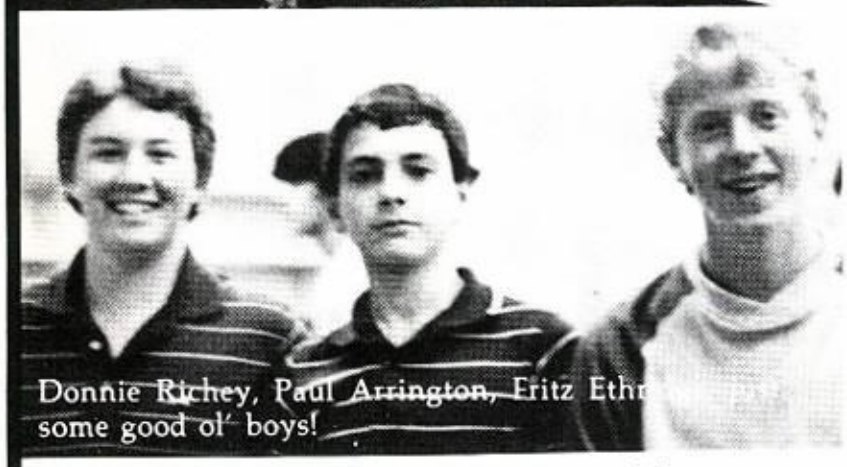
Freshmen: Here, There & Everywhere!

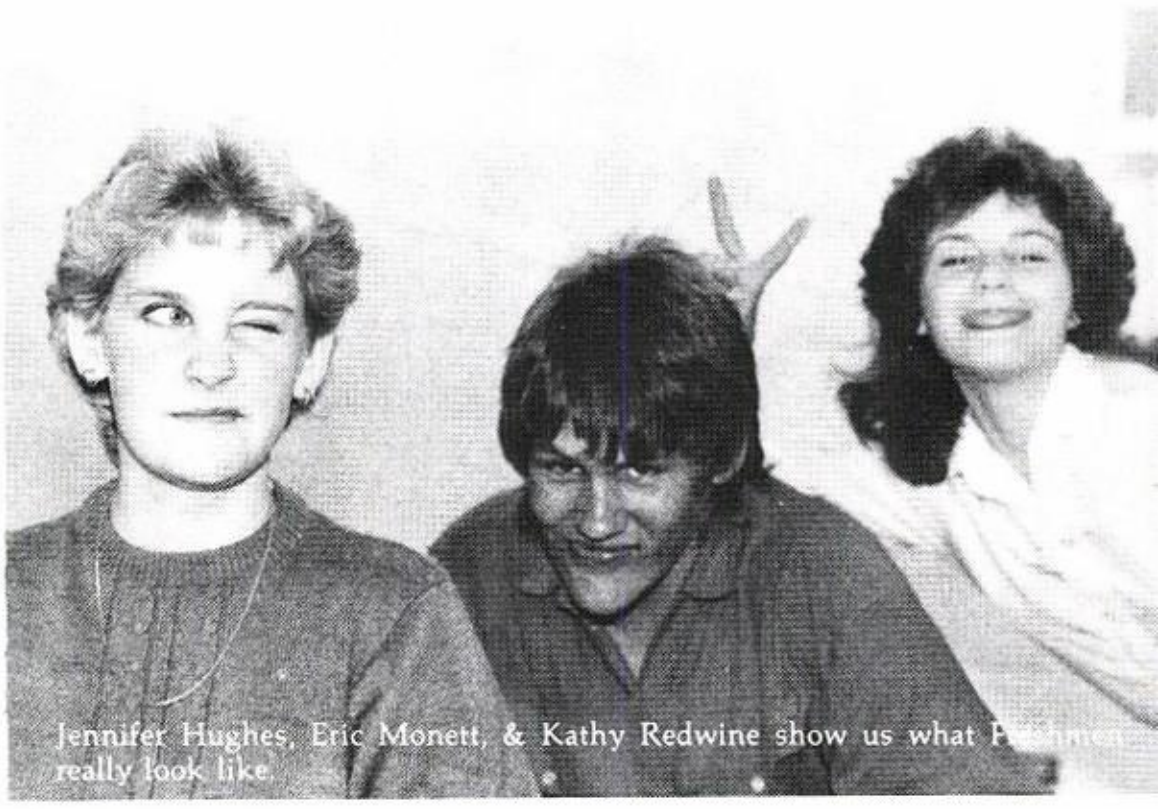


Freshman Fritz Ethridge, Burette Douglas, Mark Hughes, Boon Hilliard, Johnny McDaniel, Leona Fulton, and Kerisia Hilburn [illegible] surrounded.

Freshmen everywhere! With a ninth grade class of 43-students, everywhere you look you'll find Freshmen. The Freshmen class has gotten into everything. They can be found in sports, at ball games, studying Physical Science, and reading Romeo & Juliet in English I. Who has that locker next to yours? Oh, no! Not a Freshmen!



Donnie Richey, Paul Arrington, Fritz Ethridge some good ol' boys!



Jennifer Hughes, Eric Monett, & Kathy Redwine show us what Freshmen really look like.

Yes, it's true. There are so many Freshmen, that they're overrunning the whole High School! Help!!! It's the invasion of the Fish! Coming next year in a Yearbook near you: "The Fish That Ate The Sophomore Class!" (BURP!)

What did I do with last night's homework assignment? Can't wait till summer! Who shot that spit wad? What's the answer to #3? I'd rather be watching T.V. Can I borrow some paper? Thank Goodness It's Friday! This is so boring! When's lunch! Who's got my MAD magazine? What page? I've got to get my gym clothes washed. Did I study . . for WHAT test!! Is the bell ever going to ring?

In the headlines today, two members of the Annual Staff caught sight of something extraordinary-a group of fifth graders known to only be found at Chico Elementary School. Here we see them in their favorite and natural habitat-the playground. This certain breed of fifth graders is very active but harmless. The Annual Staff would like to express their appreciation to the 5th graders for their cooperation that made it possible to record this memorable event in pictures.

What a neat trick! Ya'll should join the circus!!!

During a stakout at Chico Elementary School, we found these very suspicious-looking 5th graders. Upon further investigation, we discovered they were deeply involved in their Social Studies, which we learned is legal in this and 49 other states.

Mrs. Wood's 2nd grade took time to create Dioramas. They cut, colored, and pasted pictures of dinosaurs that they were studying in a box and made a 3-D scene. Both 2nd grades had a very eventful year. They ate a turkey dinner prepared for them by their room-mothers, and dressed up as Indians. They also had a western dress-up day. In Spring, they took a walk to the park. They've enjoyed some educational experiences this year.

We would like to acknowledge Mrs. Kay Richey. She has begun her 19th year of teaching at the Chico School District. She enjoys teaching the fifth grade but has also taught Junior High. Mrs. Richey must be well-loved by all students because she does not stress homework and is visited often by her former students. We can be assured that the fifth grade is in good hands. Thank you, Mrs. Richey for your dedication to the underrated field of teaching.

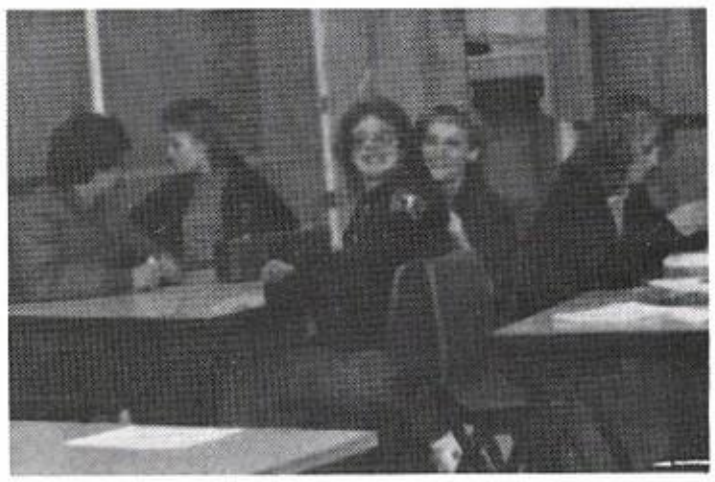
WE'RE ALL IN THIS TOGETHER .. THE YEARBOOK



This year annual staff was a whole new experience. Instead of there being only 6 or 7 annual staffers, there were 20. Out of the 20 only 2 had previously been in annual staff. Needless to say it was quite an experience. All in all we learned a lot, and had fun preparing this yearbook for you. This just happened to be Mrs. Crabbs' first year as sponsor, too and she had aged 10 years, and has gotten quite a few gray hairs. Thanks to all, the deadlines were met — almost on time!!

Members include: Bottom L to R, Mellissa Arrington, Kristie Mader, Kelly Buckner, Diana Riley, Shawnee Hargrave; 2nd row John White (co-editor), Tanya Jones, Tammie Jones, Sharla Vincent, Jariece Grill, LaDawn Howell, Sherrie Loughridge, D'Layna Douglas (co-editor), top row Craig Moss, Kevin Monett, Keith Hargrave, Bart Weatherly, Roger Galindo, Jennifer Hughes, Sponsor Dana Crabbs

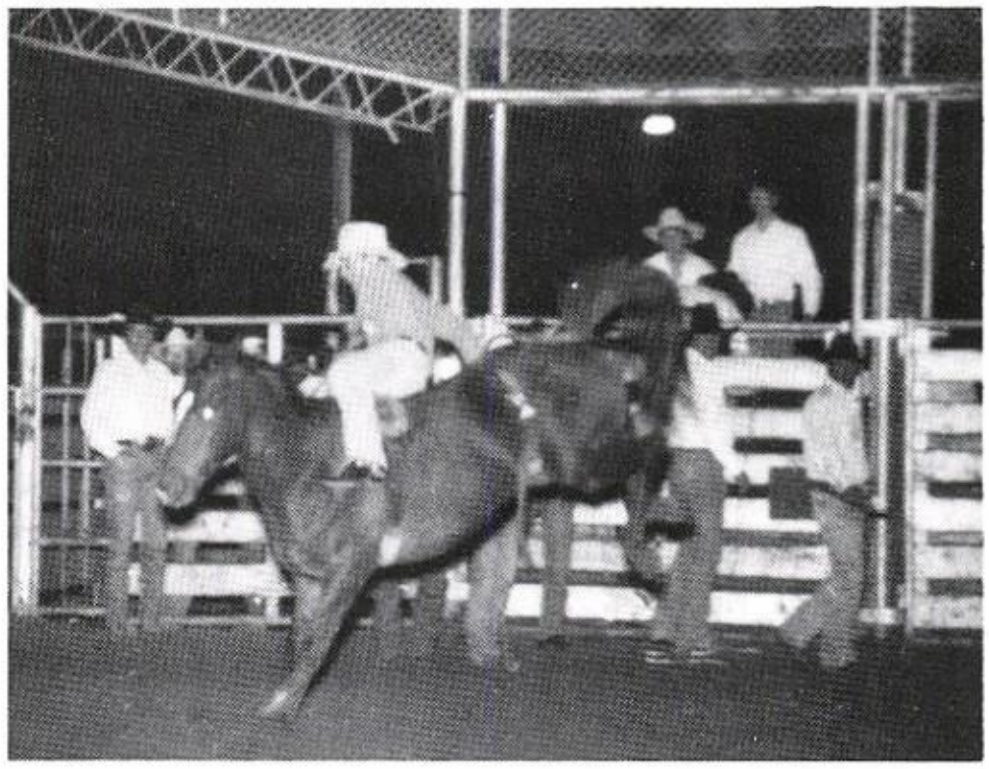
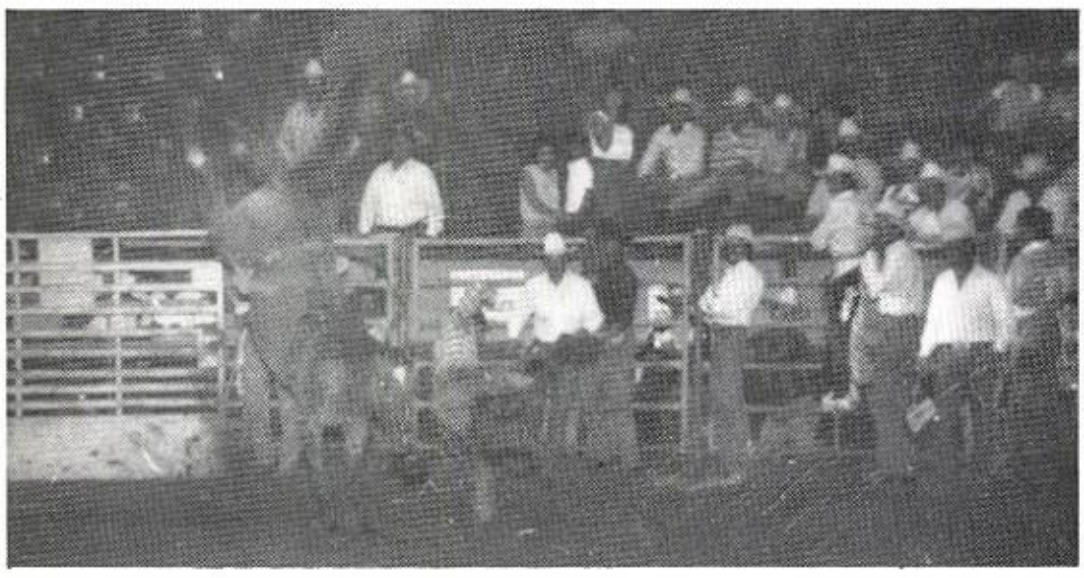
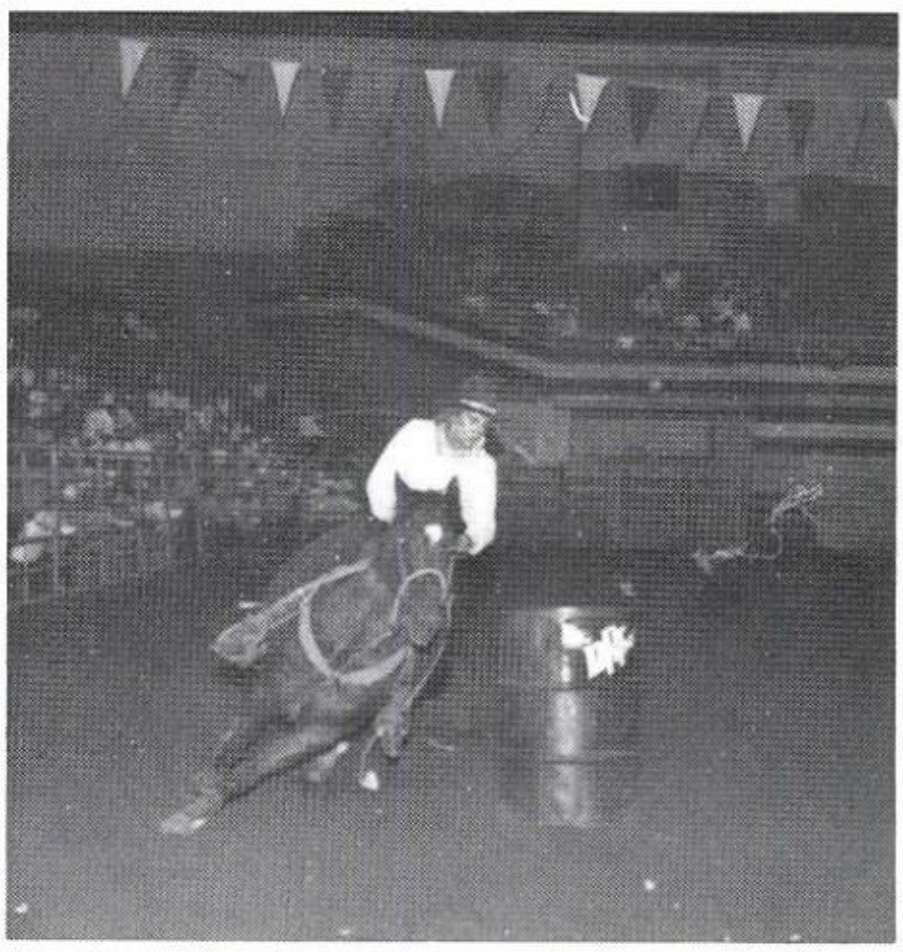
RODEO CLUB RIDES ON







When school resumed this year there were four members in the rodeo club. They are Bobby Woods, Jason Younger, Brad Huff and Kelly Buckner. They have worked very hard and owe many thanks to their sponsor, Jan Buckner.

The rodeo season runs from September to May except for a break in December and January. There were rodeos held every weekend.

Last Summer, Kelly Buckner attended the North Texas High School Rodeo Asso. Finals held at the North Side Colliseum. In the first go round Kelly & Bay Tom placed Second. They were eliminated in the second go around but placed seventh in the year and standings.

Kelly Buckner was voted Barrel-racing event director by all barrel racers in the asso. She also received the Virgil Daniels Memorial $500.00 Scholarship given by the North Texas High School Rodeo Asso.

Even though the Rodeo Club only had a few members they all worked very hard to make a better club. For some it was a beginning and others it was an end. The Rodeo Club will ride on and on . . .

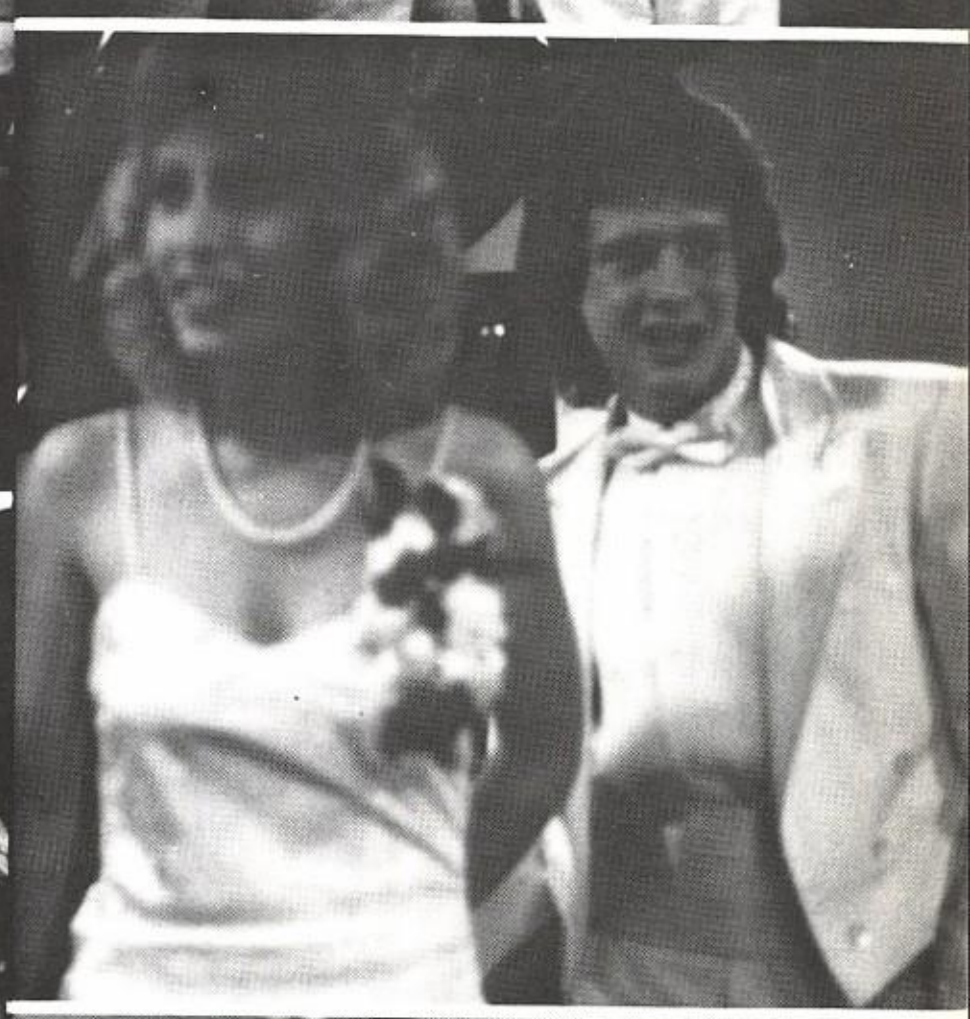
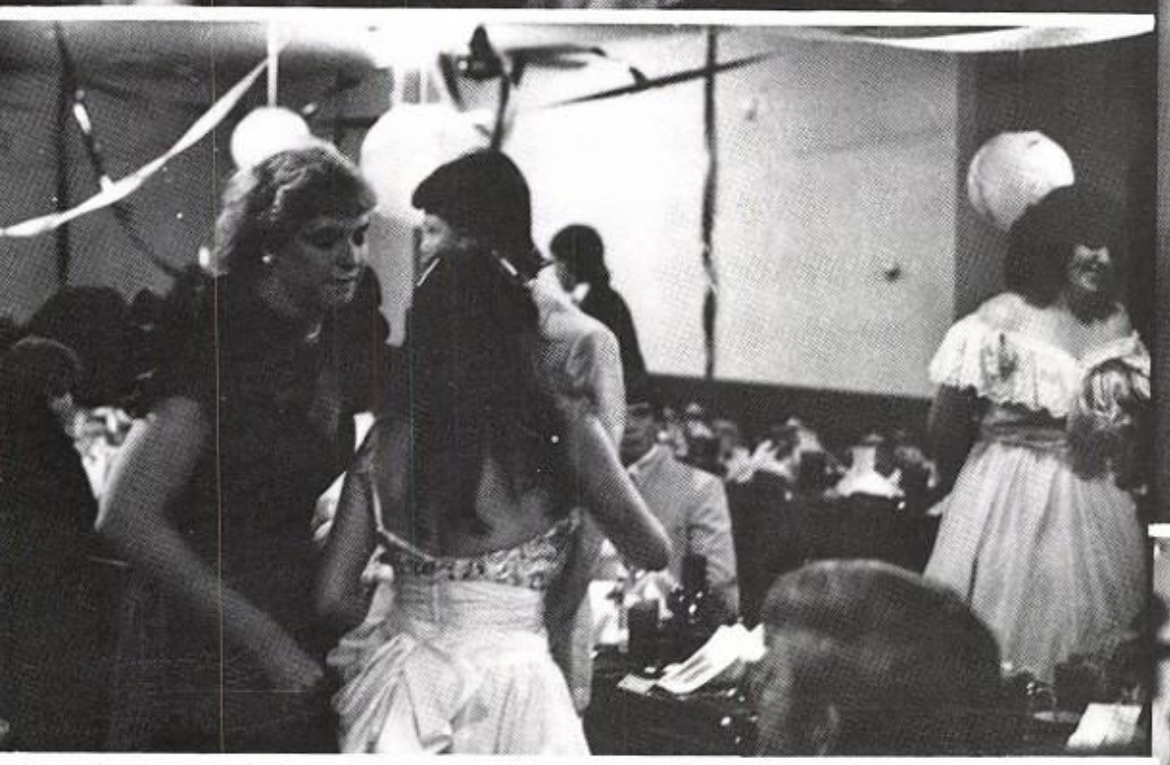
THE 1986 JUNIOR & SENIOR

PROM





The 1986 Junior/Senior Banquet and Prom was held May 9th at Runaway Bay untry Club.

The Juniors chose an Oriental theme for their decorations and prepared a program the Seniors in which the following participated:

The Invocation was given by Tommy McGuire. Tammie Jones was Mistress of remonies. Jerald Stinnett extended a warm welcome to all and a response was made the president of the Sr. class, Ronnie McGuire. Julie Daniel & Connie Hand read Prophesy. The Will was read by Junior Mader & Kelly Buchner. Tony Wilks & stie Mader read our class History. A Benediction was given by Mr. McIntyre.

The longest part of the Prom was getting pictures made and waiting to be served. er the meal there was a candle light ceremony in honor of the Seniors during ich the Prom theme song, Tender Love by Jack Wagner, was played.

or some reason sunshades were a part of the guys' tux attire. A new twist to hionable Prom wear was Dennis Compton's red sneakers. Flashy but Classy!

veryone looked "MARVELOUS!" despite the heavy rain shower we encountered ore the Prom that evening.

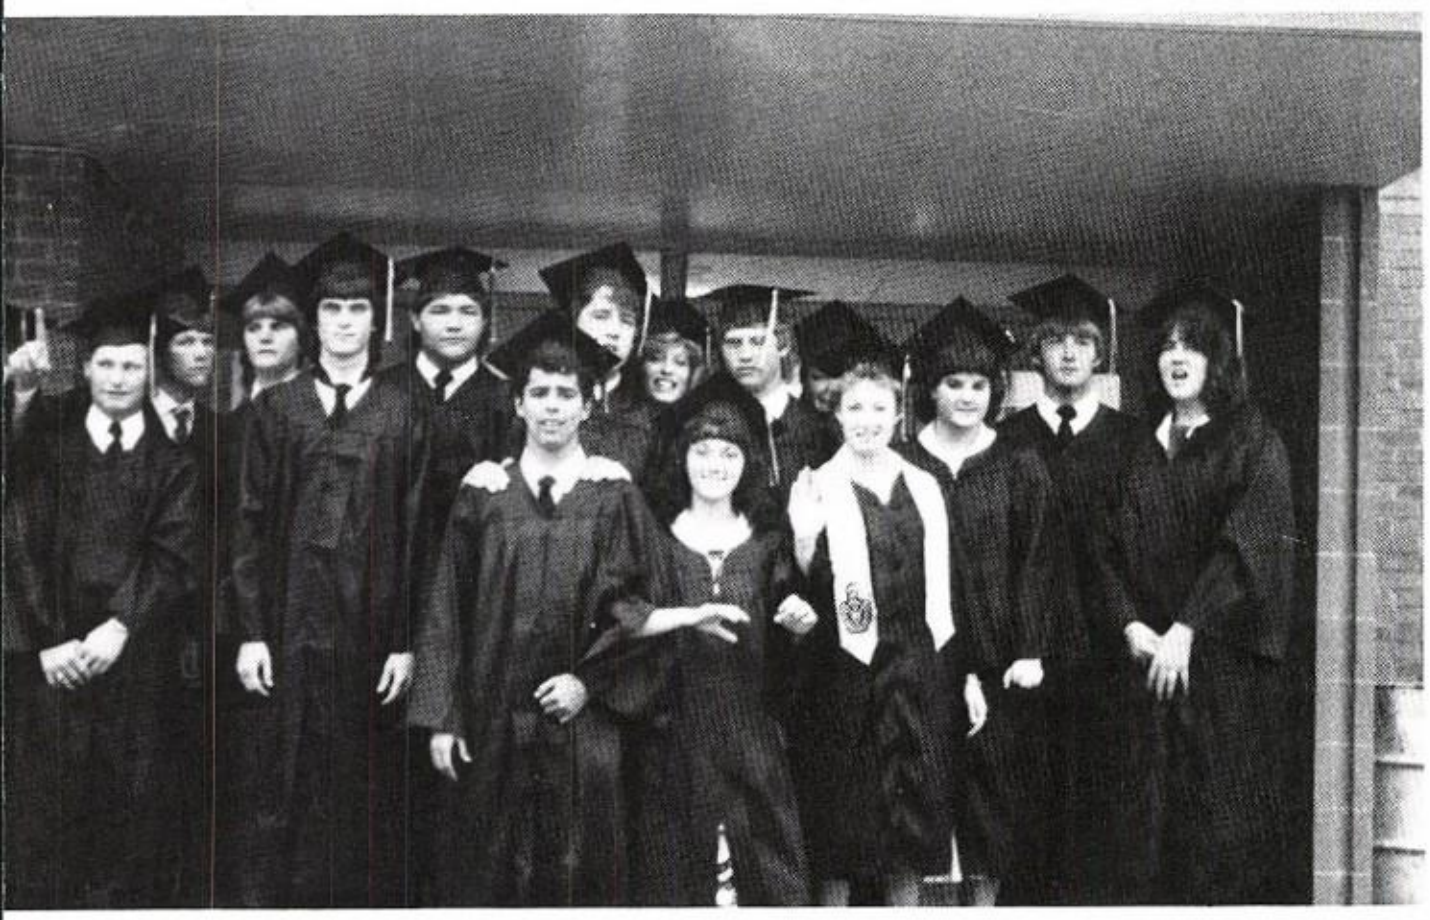
CLASS OF 1986



The Seniors seem so solemn on such a joyous occasion. By now they must be getting the full sense of what it means to be graduated. Not only were they proud of their accomplishment but it also meant so much to each one of them to share for one last time the closeness of being together as a class. They shared the good and the bad and always looked out for each other. They care a lot for the people that they spent most of their time with at school. They will never forget one another and hopefully even at this time will never ever have to say good-bye.

For the fashion minded, quality seeking, penny pinching, big spending, and the person that has no idea where to spend their money.
